

**GKM COLLEGE OF ENGINEERING AND
TECHNOLOGY**
(An ISO 9001:2008 Certified, NBA, NAAC 'A' Grade &
IAO Accredited Institution)

DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering Mother of all Engineering was started in
GKMCET in the year 2009

COURSES OFFERED

HIGHLIGHTS OF THE DEPARTMENT

Three circular images arranged in a triangular pattern, connected by blue arrows. The top-left circle shows a group of men in suits, with text 'PillarZ Students Association started in year 2012'. The top-right circle shows a group of men in suits, with text 'Civil Students became a member of ICI - Professional society, in the year 2013'. The bottom circle shows a classroom setting with a lecturer and students, with text 'Regular Guest lectures being conducted by eminent personalities'.

INTERACTION WITH OUTSIDE WORLD

Students and faculties of Civil Department has a strong impact with the outside world like

- Water treatment plant
- Waste water treatment plant
- Ready Mix concrete Plant
- Reservoir
- Dams
- Tamilnadu Housing Board unit construction.
- Architect Village

EXTRA CURRICULAR ACTIVITIES:-

Department encourages students to shine other than academic performance.

- ❖ Won award in video contest.
- ❖ Won awards in short film making.

PLACEMENT AND JOB OPPURTUNITIES: The students were referred to join the major companies like

- Sri ram gateway
- Hall mark
- SSM constructions
- Sites in and around Chennai.

MILESTONES GRAPH OF THE DEPARTMENT:

2009

- GKM CET Civil department was started

2010

- Survey lab was established with modern equipments

2011

- Soil mechanics & Highway Engineering lab was established

2012

- PILLAR'Z Students Association of civil engineers was started and souvenir was released by NITTR director Dr. Mohan.

2013

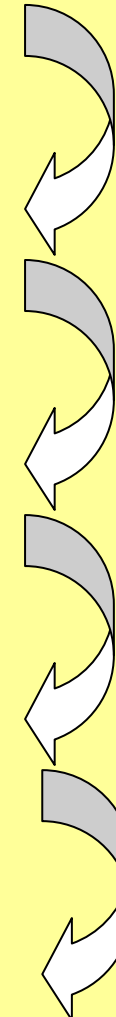

- Students became the member of ICI students chapter. PG construction management Engineering was started. UG students Intake was increased from 60 to 120.

2014

- Students completed internship in L&T and government organization.

2015

- Project Expo of students was conducted.

LABORATORIES :-

Civil Department is furnished with eight labs as per Anna University requirement

- 1.Environmental lab
- 2.Concrete and highway engineering lab.
- 3.Soil mechanics lab
- 4.Cadd lab
- 5.Survey lab
- 6.Strength of materials
- 7.Advanced concrete lab
- 8.Hydraulic engineering lab

TECHNICAL ACTIVITIES:-

Internship:

Students were continuously engaged by the department in various leading industries and central government organizations like L&T, INDIAN RAILWAYS, CHENNAI PORT TRUST etc.,

Guest lecture:-

Every semester the experts from different fields deliver their speech, through which students are getting exposed to recent trends in civil engineering.

* Project expo:

UG and PG students will be molded will given proper direction to concentrate on their project and to publish in well reputed and journals having high impact factor.

Symposium:

Every year we are successfully organizing National level technical symposium, PILLAR'Z
